

Introduction for Dan Poynter

Our speaker is **Dan Poynter**.

He has a most appropriate topic and you have my permission to **laugh**.

Dan Poynter is the author of more than **120** books.

Unable to sell most of them, he has given many away as **wedding** presents

. . . Perhaps **you** have received one . . . or more.

(Based on how many time you have tied the **noose** . . .I mean **knot**)

Dan has **addressed** audiences around the world,

he has **traveled** to more than 50 countries,

he **skydived** into the North Pole and . . .

he once **appeared** as a **vision** in a small Italian village.

Now Dan is traveling the globe trying to persuade skydivers that

gravity is not just a **good idea**—Gravity is the **law**.

Dan has presented his wisdom, knowledge and publishing strategies to all 10 speakers associations and nearly every speaking chapter worldwide. He truly knows you better than you know yourself.

Many of you know Dan as the “Book Guy”.

Today, is going to come out of the closet and admit to his addiction.

Dan is a confirmed **speakaholic**.

Dan's presentation today will be **enlightening**. If you are still confused about the subject when he finishes, at least you will be confused at a **higher** level.

Dan has a **personal** challenge to share: his irrational, compulsive, neurotic, obsessive speaking. Otherwise known as **keynote abuse**.

It gives me great pleasure to introduce **Dan Poynter**.
